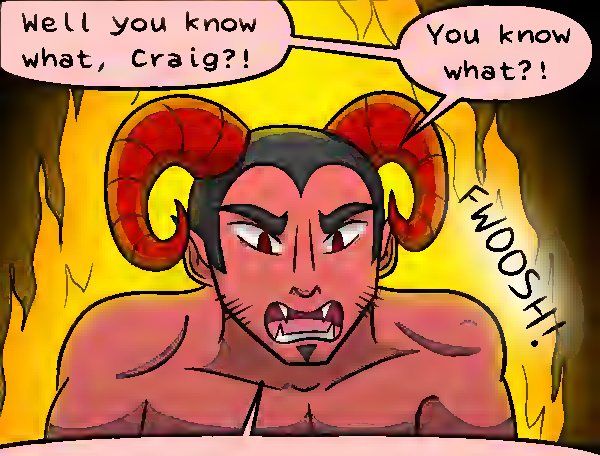
SATAN!
You're getting crumbs everywhere!
DUST
DUST

It's just the patio, Craig! Who cares?
Crumbs attract ants, dude! Do you like ants?!
Because I sure don't!

I'm just so sick of picking up after you!
Whether it's crumbs or candy wrappers or errant tortured souls...
I'm always the one who has to clean your messes!



Maybe some of us are too busy ruling the #%@!ing underworld to live up to your impossibly anal-retentive standards!!

Oh, uh... whoops.
And HELLFLAMES, on top of it all!
SIZZLE
We'll never get our deposit back at this rate!

Damn it, Satan!
Well, that *is* my job!
STOMP
STOMP
HA HA HA HA!
UGH, you are the WORST!
